

EARTH DAY-APRIL 22, 2022

“Never doubt that a small group of thoughtful and committed citizens can change the world; indeed, it is the only thing that ever has.”

—Margaret Mead

For the past 50 years, Earth Day has been celebrated by billions of people around the globe, annually every April 22, to join together in promoting awareness for the health of our environment. The Green warriors of Delhi Public School - Bopal celebrated the Earth Day with great ardour and excitement with the aim of creating awareness regarding the importance of a clean and green environment and the urgent need to preserve our natural ecosystem. Students came together to express their views and concerns regarding the degrading environment. Talking about innovative solutions to environmental problems, students made informative videos and posters on ‘Save our earth, wrote slogans showing their love and concern for the nature.

Now is the time for the unstoppable courage to preserve and protect our mother earth... Together, we must invest in Our Planet. Because a green future is a prosperous future. We need to act (boldly), innovate (broadly), and implement (equitably).
