

## SEWA ACTIVITY-COMPOST PIT

Class VI, VII & VIII

### “Reuse, Reduce and Recycle”

With the aim to familiarize the students with the sustainable environmental practices and to help them with a successful composting program a virtual SEWAactivity on Compost Pit was conducted at Delhi Public School- Bopal for the students of Class VI, VII & VIII on 17July, 2021.The programme briefed the students that organic household waste is a resource of nutrients that can be recovered and reused by composting. By the end of the program, our students who are our future community decision-makers understood the importance of responsible solid waste disposal and the environmental advantages of composting. It was indeed a thought provoking and fruitful session.
